Groom / Father of the Bride - Groom / Bestman / Ushers / Page Boys:

How many fittings will you need and what to expect:

1 Fitting is normal, but there may be occasions when 2 fittings are required.

We include a 1 x 20 minute appointment per person when you come to us. After this, appointment time is charged at £20 per hour.

The first appointment is about us getting to know you and your suit requirements.

We may need to take your body measurements such as an inside leg measurement during your consultation so please wear clothes that allow accurate measurements to be taken.

Please note: We are not responsible for weight loss or weight gain.

Any changes / alterations to your garment as a result of weight fluctuations will be an additional cost.

We also offer garment steaming service should you feel that your suit needs an extra spruce up before your special day.

What to bring with you to your fitting:

Please bring your shoes and braces / belt should you need to. Also please bring your tie, waistcoat etc with you for the fitting.

We also require your suit to be brought into us in a suit bag or covering to help protect your suit whilst it is with us. We do sell suit bags should you require one.

Please note that no food or drink can be bought into the fitting area.

Who to bring with you to your fitting:

We encourage you to bring someone along with you to share your experience. There is enough room for 2 friends or family members to watch the fitting process.

Children are welcome, but we would advise that an adult is present to supervise them. We want all of the focus to be on you.

Payment:

Expect to pay between £20 to £100 for suit alterations.

We take a £20 deposit upfront before we begin work on your suit. This is deductible from your final bill.

The outstanding balance will be due when you collect your suit.

Please note: Once you leave Make-it Happen with your suit we are not responsible for it. Should you change your mind and wish for additional changes to be made, these will be chargeable. Once your suit leaves us you are accepting that you are happy with the work we have carried out.
